11th Annual Earth Day Event— April 24, 2010

Charles River Clean-up

Charles River Watershed Association

Protecting the health, beauty and accessibility of the Charles River

Public Service Event: Volunteers Needed

DATE: Saturday, April 24, 2010

Time: 9:00–12:00pm River Cleanup

Our Location: 130 River Street, Waltham, MA
(a Shaw's supermarket).

The Annual Earth Day Charles River Cleanup is organized by a collaborative of groups interested in environmental and river issues: Charles River Watershed Association, Senator Steven Tolman's Office, Charles River Conservancy, The Esplanade Association, the City of Newton, The Trustees of Reservations, Emerald Necklace Conservancy, and the Massachusetts Department of Conservation and Recreation.

In order to efficiently organize over 3,000 volunteers representing more than 100 organizations who help clean up along the river and the watershed's streams and ponds, we have divided the watershed and towns into eight 'regions', each supervised by a regional volunteer coordinator.

Other Information

*Please bring work gloves, sunscreen, and a water bottle.
Children ages 6 and above are welcome to participate, as long as they are with their parent/guardian.*

RSVP to Danielle Gray at dgray@pine-environmental.com
